### 1. Purpose and Principles

<p><b>Purpose of this policy</b></p>	<p>This policy provides guidelines and establishes procedures for the New Zealand Institute of Quantity Surveyor (NZIQS) personnel who incur expenses while travelling on NZIQS business.</p> <p>Personnel refers to all NZIQS staff, Board and Committee members, members, and approved contractors authorised to travel on behalf of NZIQS.</p>
<p><b>Objectives</b></p>	<p>The objectives of this policy are:</p> <ul style="list-style-type: none"> <li>• to ensure that personnel are reimbursed for all reasonable travel costs</li> <li>• to ensure that all NZIQS personnel have a clear understanding of policies and procedures for NZIQS travel</li> <li>• to maximise the NZIQS's ability to negotiate discounted travel rates with preferred suppliers</li> </ul>
<p><b>Stewards of member resources</b></p>	<p>NZIQS personnel are stewards of members' resources and have an obligation to use those resources prudently.</p> <p>Those who arrange and undertake travel for the NZIQS must make careful and informed decisions for the best use of member funds while meeting the NZIQS's business needs.</p>

<p><b>Principles underpinning this policy</b></p>	<p>The safety and security of individuals travelling on NZIQS business are paramount.</p> <p>Individuals must meet the costs of their private activities during NZIQS travel, but individuals should not be out of pocket due to incurring approved expenses for NZIQS business.</p> <p>Wherever practicable, individuals are expected:</p> <ul style="list-style-type: none"> <li>• to prepare a travel itinerary that requires the least time away from the office</li> <li>• to take the most direct route to the destination for NZIQS business</li> <li>• to use the most cost-effective options</li> </ul>
<p><b>Approvals</b></p>	<p>The Chief Executive Officer or Accounts Manager must authorise all domestic NZIQS travel before any reservations are made.</p> <p>The Board or Finance Committee Chair must authorise international NZIQS travel.</p> <p>The Chief Executive Officer must ensure that there are sufficient funds in the appropriate budget to cover the proposed travel costs.</p>
<p><b>Reservations and bookings</b></p>	<p>The Accounts Manager or Chief Executive Officer should make all travel reservations. Wherever practicable, NZIQS travel expenses should be prepaid by, or directly charged to, the NZIQS. NZIQS staff will assist with all travel reservations for NZIQS business, including en-route changes, accommodation, and motor vehicle reservations.</p> <p>Travel arrangements should be made as early as possible to take advantage of lower fares for advance bookings.</p> <p>NZIQS holds a Travelcard account with Air New Zealand. However, other airlines may be booked depending on cost or flight timings.</p>
<p><b>Combining official and personal travel</b></p>	<p>With appropriate managerial approval, individuals may undertake reasonable personal travel and take leave while travelling on official NZIQS business, provided there is no additional cost to the NZIQS.</p> <p>When official and non-official travel is combined, individuals should make arrangements for immediate payment to NZIQS for any non-official travel expenses.</p> <p>NZIQS-negotiated accommodation/transport rates may be used for personal travel.</p> <p>Expenses incurred during any period of personal travel are the individual's responsibility.</p>

<p><b>Travelling with family members or friends</b></p>	<p>NZIQS personnel may be accompanied by family or close personal friends while travelling on NZIQS business at the individual’s expense.</p>
<p><b>Frequent flyer programmes and airline club memberships (including air points)</b></p>	<p>NZIQS personnel may accrue Airpoints and other loyalty scheme points. Frequent flyer numbers should be provided to the Accounts Manager at the time of booking.</p> <p>NZIQS will pay for an annual Koru Club membership for the Chief Executive Officer under their Employment Agreement, and for the President. Koru Club membership for other employees is on a case by case basis to be agreed upon by the Board</p> <p>The Air New Zealand Travelcard rewards points may be used to enhance travel for NZIQS personnel, e.g. for upgrades on long-haul flights, Koru membership, or upgraded Frequent Flyer status that benefits NZIQS travel.</p>
